Crinkled Chalk Technique:

Step 1 - Take a piece of Saran Wrap™ and bunch it up. Ink it up with a light chalk ink.

Step 2 - Dab the inked up Saran Wrap™ all over the cardstock.

Step 3 - Ink up your Saran Wrap™ with a different, slightly darker color and go over your cardstock again.

Step 4 - Repeat step two with an even darker color.

Alternate Inks - Try the same with classic ink pads instead of chalk ink.

Our card here uses Classic Stampin' Ink pads and one color.

Direct to Pad Technique:

Rub card edge against the ink pad.

Recipe - Please read all directions before starting your project. Many notes are provided to help you!
