

### Recipe

(Please read all directions before starting your project. Many notes are provided to help you!)

Step #	Description
1	Follow steps 1 – 4 of the milk carton favor box tutorial (see link to the right if you are not attending the class).
2	For step 5 you can follow this step OR score your CS at 6 3/4".
3	Follow the remainder of the tutorial. <i>NOTE:</i> Step 7 allows you to stamp your cardstock before assembling the box. Please make sure you do this if you desire to do so. I stamped the spider web from the "Web Wishes" stamp set using Tangerine Tango ink. I also stamped the spider from the "Best Friends" stamp set using Basic Black ink.
4	Stamp four images from the "Batty for You" stamp set on Whisper White CS scraps using Basic Black ink. They can be all the same or four different images.
5	Using the 1 1/4" circle punch, punch out all four images.
6	Using the 1 3/8" circle punch, punch out four circles.
7	Layer the 1 1/4" circles to the 1 3/8" circles using snail adhesive.
8	Wrap the 1 x 12 DS Paper around the milk carton and attach with snail adhesive. Trim off any excess paper with scissors.
9	Wrap the Black Gingham Ribbon around the milk carton where desired and tie a knot.
10	Layer the Batty for You circles (one on each side of the milk carton) using popup glue dots. <i>NOTE:</i> I recommend putting these on top of the ribbon to hold the ribbon in place.
