\*\*\* NOTE – Snail Adhesive can be replaced by your favorite adhesive such as glue dots, glue lines, etc.

Recipe – Please read all directions before starting your project. Many notes and hints are provided to help you!

Step #	Description
1	Punch 5 scallop circles from the Dashing DS Paper. These can be from different paper or all the same design. <b>NOTE:</b> PLEASE punch your scallops close together to conserve paper.
2	Fold each scallop in half using your fingernail or bone folder to make a crease. <b>TIP:</b> You want the scallops to line up. <b>TIP #2:</b> Make sure the side of the paper you want showing is inside the fold.
3	Attach one side of the first scallop to one side of the scallop with snail adhesive. Repeat this until all but one side has been attached. <b>TIP:</b> Make sure you line up your scallops.
4	<b>PLEASE READ THIS ENTIRE STEP BEFORE CONTINUING!!!!!!</b> Put snail adhesive on the last side. Before attaching in add crystal affects and the silver cord to the center. The silver cord should be folded in half with the opening at the bottom. Then attach the last scallop.
5	Add a bead at the bottom and tie the cord together. Trim off any excess cord.
6	Optionally, you can tie a bow around the top of the ornament.
