Restraint

- First I'm going to get out the banana, the rubber, the dildo, the clothes pins, the handcuffs, a sock and the blindfold.
- Then I'm going to lay her down, handcuff her to the bed frame.
- Blindfold and gag her and then walk away, stomp downstairs.
- Retrieve camera.
- Open and close the front door. Put on some different aftershave while down there. Chew a piece of gum.
- Stomp back up, saying "Yeah, I got her all tied up. Sure she won't mind. She likes big cocks."
- Set up the camera on stand.
- "Yeah, she's got some great tits. Wait until you feel her pussy."
- "Honey, I'll be over here by the camera. You're going to be fucked tonight. He's going to fuck you and I'm going to tape it all."
- Then proceed to move to where the camera is.
- "Well, what are you waiting for?"
- Throw some clothes on the floor, shoes, etc.
- "Yeah, she likes this shit. Watch how loud you're talking, you don't want her to figure out who you are. Last thing she needs is to find out who's fucking her. So fuck her and get out of here. Just remember that you can't come in her. Condoms? Yeah, hold on, I'll get some."
- Go into the bathroom and retrieve the condoms.
- Throw some more clothes. Get hard. Put the condom on.
- "Damn, now that's a cock! The lube's behind you, you probably won't need it but its there."
- Force her to suck the cock with the condom on.

- Fuck her, come on her belly and fuck her again.
- Leave.
- “I’ll make you a copy of the tape. You can change downstairs.”
- Out in the hallway say: “I’m sure she enjoyed herself.”
- Go downstairs. After several minutes, open and shut the door again. Come back upstairs. Ask her if she liked being fucked.
