Four Square
(anticipation)

conflagration ignites illicit affairs
to others - in others - not we
four square played in a spectacular way.
no unseen shame in this revelry
this simple play between consentings.
unhidden in deepest shadows
sincerity and candidness
open arms open mind open body open sex.

partitioning of flesh and sweat and fluids.
endorphins released by unspoken utterances.
sight unseen with low voices only
and furtive images through electronic pathways.
desire elicited through intentionally assembled letters
designed to march the crimson through moist places
to flood the humid rivers
spilling out over their ravenous banks.

anticipation between us woefully veiled
of the cumming joining between four
becoming two new entities
if only for a mere night of pleasure
in joyous reveling of liquefied fervor.
slipslidemelting of lubricated flesh
none can wait for the subsequent
before we've even assembled once.
