*__**_Faithful Friar's Message_*

Worthy Sir Knights,

Everyday seems to have its particular national scandal, and media scrutiny has long since dispelled any illusion we may have that our leaders are above fault. So many of our political

leaders have put aside
ethical behavior with the same ease with which they set
aside the rules
of English grammar. Catholic priests, as is well
publicized, do not
escape criticism in these same areas.

God makes mysterious choices. Many of the men and women
He calls for
special tasks in the Church and in government it would
seem to be
unlikely candidates. None of them are without flaws.
Yet this does not
cause God to throw up His hands in despair. Rather, His
decision to
continue to call even the least qualified serves to
show that it is He
who is running the Church and the world. If men had
been running the
Church, it would have been wrecked and disappeared
years ago.

As St. Paul reminded his readers long ago, where sin
abounds, God's
grace abounds all the more. We cannot give up on either
the Church or
our country before God does. As Knights, we pray for
our priests as well
as for our government and leave the flaws to God's
mercy.

Vivat Jesus,

//s// Fr. Cecil Donahue, OSB
