Thoughts from the Chapter Director

This year is beginning to look like a good year to ride. We have had some really good turnouts for our dinner rides and have had some real good opportunities for some great fellowship. We have a Bike Show coming up on 21 February, we will be leaving out at 9am for a ride to Greenville S. C. and enjoy the International Motorcycle show. Admission price at the gate is \$13.00. We have our annual raffle tickets to sell. Remember that all the money collected goes to our chapter treasury. I also want to encourage everyone who can to attend the Georgia Rally (Wing Fling) in Hiawassee this June. I am sure it is going to be great fun.

“As I See It,” A thought from the “Educator.”

If you will: **S**ignal with your turn signals, **A**nnounce intentions to other drivers, **F**lag with hand signals (where practical), **E**ngage defensive driving techniques, **T**hink (if possible) before you act/react, it will **Y**ield a very important motorcycle word:

- S** Signal with turn signals
- A** Announce intentions when riding
- F** Flag with hand signals where practical
- E** Engage defensive driving techniques
- T** Think (if possible) before you react
- Y** Following these five things will yield the word SAFETY.

Just remember:

If you always think SAFETY, your chances of coming home healthy greatly increase.

This monthly safety publication of “As I See It” is presented for your consideration by Ray Bowman, your Chapter Educator. Constructive comments and or suggestions are always appreciated.
