

October 31 2006

The PTSC had a meeting with members of the Timbers Mangement. Many question were asked about the PTSC on the direction it would be taking in 2007. After the meeting the PTSC wrote a Mission Statement and a Members Code of Conduct.

Here is the PTSC Mission statement:

The Portland Timbers Supporters Club is an organized group of faithful soccer fans. We of the PTSC share an interest for the positive support of the Portland Timbers Soccer Team. We are here to support our team and help create a positive atmosphere at PGE Park. PTSC will help promote the Timbers through community outreach programs in youth soccer and other organized events. The supporters club offers fans a way to be more directly involved with the team as well as helping soccer grow in Portland.

This is the Members Code of Conduct:

The PTSC follows [FIFA Fair Play](#) and expects its members to follow those guidelines.

The PTSC reserve the right to withdraw or suspend the membership of anyone acting in a manner, which will bring the Supporters Club and The Portland Timbers into disrepute.

The PTSC reserve the right to refuse membership to anyone who has in the past brought the Portland Timbers into disrepute.

The PTSC expect members of the Supporters Club to be of good behaviour.

The PTSC reserve the right to withdraw or suspend the membership for sexist or racist behaviour plus foul or abusive language from any member.

All PTSC members will follow the Code of Conduct of PGE Park

The PTSC will have another meeting with Timber management in November.
