

September 2006

The PTSC members had a Gathering at the Oaks Park Oktoberfest. A good time was had by all!

Pictures can be found at the [Supporters Board](#) and at [Timbers Army 107 blog](#).

Two members of the PTSC had a meeting with John Cunningham President of The Portland Timbers and Portland Beavers. It was agreed by all parties that PTSC would move forward with the full support of John Cunningham and the rest of the PGE Park management team. More meetings will be held in the offseason. The PTSC is very pleased to be working together with the Timber management team.
