NPMHU

2008 National Convention – Orlando, Florida

Meeting in July will be several committees that will consider all proposals that are timely submitted to amend the NPMHU constitutions or for adoption as resolutions by the elected delegates. To become involved in this process, mail handlers who are members in good standing of the NPMHU are allowed to submit proposals for consideration first by these committees, and ultimately by the delegates meeting in Convention. To submit proposals, mail handlers must follow the requirements set forth in the NPMHU National Constitution.

Specifically with regard to constitutional amendments, under Article XII of that Constitution, the delegates to the 2008 National Convention will consider and vote upon amendments to both the NPMHU National Constitution and the Uniform Local Union Constitution that governs all Local Unions affiliated with the NPMHU. As stated in Article XII, Section 10: "For proposed amendments to this Constitution to be considered by a National Convention, such amendments must be submitted in writing by Delegates, Local Unions or other subordinate bodies in good standing, or regular members in good standing to the National President no later than thirty (30) days prior to the opening of the National Convention. Such proposed amendments shall be referred by the National President to the Constitution Committee for consideration and recommendation to the National Convention.

The current National Constitution also sets forth the governing procedure for the consideration of resolutions, whether related to legislation or other topics of interest to mail handlers. In particular, Article XII, Section 15 provides as follows: "Resolutions submitted for consideration of the National Convention must be received by the National President no later than thirty (30) days prior to the opening date of the National Convention. Such resolutions shall be referred to the Committee on Resolutions for consideration and recommendation to the Convention delegates for adoption, modification, or rejection thereof."

Should you have any constitutional amendments or resolutions that you would like to propose, please be sure to follow the procedures set forth in the National Constitution, which essentially requires that all proposals be timely submitted to the National President. Because the opening of the National Convention is set for Monday, August 11, 2008, all submissions must be received at the National Office no later than Saturday, July 12, 2008.
