Vol. XI

2007

National President Hegarty recaps events of 2006 during his report to the meeting of the Local Unions.

COLA NOTICE

As expected, largely because of the decrease in the price of gasoline during the last half of calendar year 2006, there will be no cost-of-living adjustment added to base wages in March 2007 (which is based on changes in the Consumer Price Index from July 2006 through January 2007). The nationwide spike in gas prices during the past few weeks, if it continues, will be measured in the CPI in July 2007, which determines the amount of the COLA for September 2007.
