The retirement presentation includes various segments representing the A to Z information you need to know for retirement planning -- whether you are covered by CSRS, CSRS Offset or FERS retirement. A workbook containing written information, charts, and examples is attached to each segment. To get started, click on the following link: <https://liteblue.usps.gov/>, enter your Employee ID, USPS PIN, click on the My Life tab, the heading My Benefits, and the Retirement Seminar Online. This information will soon be available in a DVD format.
