

National Postal Mail Handlers Union

THE BREAKDOWN

The fourth of ten guaranteed cost-of-living adjustments to be paid to all mail handlers under the 2006 National Agreement has been set at \$1,477, based on changes in the National Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the period running from January 2008 through July 2008. This is the largest COLA in the history of collective bargaining with the Postal Service, and reflects recent increases in the cost of energy and food. This COLA is being added to wages effective August 30, 2008, and will be reflected in paychecks on September 19, 2008. The COLA of \$1,477 represents an increase of 71 cents per hour.
