In response to questions from Subcommittee Member, John Sarbanes (D-MD) regarding the effect of outsourcing initiatives on employee morale, President Hegarty held up a copy of the certificate of appreciation awarded to the Mail Handlers who worked the military mail, (operation 093), at the NJI/BMC – explaining that despite repeated praise from the military for the efficient, secure, and caring handling of mail going to and from our service men and women deployed in Iraq and Afghanistan, the USPS decided to outsource the military mail operation to a low-bid private contractor, simply to save a few dollars.
