The National Postal Mail Handlers Union congratulates President-elect Barack Obama and Vice-President-elect Joe Biden on their impressive and historic election victory. The United States of America is now at a major turning point in its history, and the NPMHU stands ready to assist this new administration to help win congressional passage and implementation of a host of promised worker-friendly initiatives, and to help restore the dream of America's middle class. Congratulations also are in order for the army of Mail Handler and other union volunteers who played such a key role in supporting this election effort. Union members worked tirelessly to help mobilize the American electorate and to help win this landmark election. Can we now apply that same energy to implement Barack Obama's vision of change? That answer is clear...YES WE CAN!
