

TO ALL RESIDENTS

Several home owners in our neighborhood have complained to the Board regarding dogs defecating in inappropriate places and being let out without a leash on neighbors' private property or cluster common ground. A gentle reminder to all is that Fairfax County does have a leash law and that dogs must be on a leash at all times. The Lakewinds Cluster upholds this law and suggests that the appropriate place to walk a dog is along the wooded area and that dog owners/walkers are expected to pick up after their dogs. Reston Association allows you to put bags containing dog waste in the waste cans adjacent to the walking path and there is one located between our cluster and Chadds Ford. Remember to ALWAYS pick up after your pets, not just when it is convenient or the weather is nice.

Also make sure that the younger family members or pet custodians abide by these rules to ensure the safety of all pets and the clean and pleasant surroundings of Lakewinds Cluster. It will be appreciated by all.

Thank you AND HAPPY WALKING!
