Donate & Receive a Printable Parts List & Directions (6-page pdf file)

Bring it to the store when you shop for parts and refer it while making your rain barrel!

In response to visitor requests, we created a pdf document that contains the information on this page, nicely formatted for printing.

Use the donate button on the website and send us any amount (**\$2** minimum) and we will promptly send the document to you (within just a few hours in most cases).

You can, of course, copy and paste our construction webpage for free, though it will take a bit of time to get it looking decent.
