

Seat Pleasant Lodge No. 218

March-April 2007

Brethren of Seat Pleasant Lodge,

Brethren, we are still working on the "Pictorial Memorial Bulletin". It will be mailed to you in a separate mailing. We have had a very poor response, however, those who have tried to respond will enjoy the fruits of their labor.

I have appointed committees to investigate the possibility of merging our charter with another lodge and changing our By-Laws to state our meeting on the (First Saturday for lunch at 11:00 A.M. with our Stated Communication to follow at 12:00 O'Clock, High Noon. We will discuss these two issues at our Stated meeting on Feb.3rd and ballot our decisions at our stated meeting on March 3, 2007. Remember, our present meetings for Feb. and March will be 11:30 lunch, and 1:00 P.M. our Stated Communication for the Lodge. Officers are asked to report not later than 10:30 to set up and discuss the agenda for the day, including the GMW.

Fraternally, Urban T. Peters,
Worshipful Master
