

Home Voice Students of MaryJean Allen

First Semester Lesson Schedule

Make-up lessons are not scheduled for any reason.

Individual make-up lessons cannot be scheduled for several reasons. Mrs. Allen has an extremely large voice studio, and she teaches at three separate locations. She teaches at Glenbrook South High School, Buffalo Grove High School, and at her home in Northbrook. She also will be traveling frequently this year to teach the workshop *What Every Musician Needs to Know About the Body*.

Please note that students can "swap" lessons if necessary. A lesson swap list with phone numbers will be given at the first lesson. Call a student to swap a lesson, then attend your swapped lesson. It is not necessary to call Mrs. Allen if you swap lessons. Please note: missed swapped lessons are not made up.
