

THE AMAZING CYNICALMAN[®]

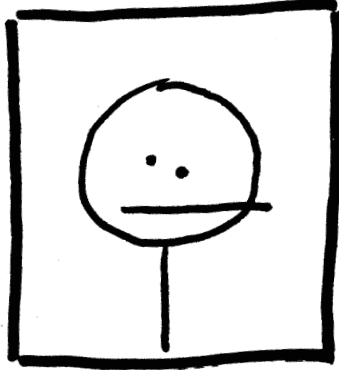

Coming – Summer 2010

The Amazing Cynicalman movie, currently in production, is an all-ages family feature; a screwball comedy with a hero, a villain, a boy, a girl... and zombies. And it's 100% made in Michigan, USA.

Based on the long-running and award-winning *Cynicalman* comic strip by **Matt Fezell**, the story follows John Q. Cynicle on his first day on the job at the Board of Superheros™ as he finds his place on the team, meets a strangely fascinating girl and gets mixed up in a dastardly plot to conquer the world with an army of zombies.
