# MCRCF Membership Application Information

## Membership Classes and Dues

All members of all classes (except non-flying members) must hold a current AMA membership for the application year. Annual dues are currently:

<b>Member Class:</b>	<b>Regular and Senior members</b>	<b>\$50.00</b>
	<b>Family</b> (exempt from initiation fee)	<b>\$30.00</b>
	<b>Junior</b> (exempt from initiation fee)	<b>\$ 5.00</b>

See the MCRCF By-Laws for complete descriptions of member classes. A *Junior* member is less than 19 years old. A *Senior* member is 60 years old or older. *Family* members are additional regular or senior members in the immediate family of and residing at the same address as a member paying full dues. *Non-Flying Members* are members of any class who have declared that they will not fly during this membership year. Channel selection and AMA membership proof are not required for non-flying members. No frequency tags will be issued.

## Initiation and Late Renewal Fees

A \$25.00 initiation fee will be charged to all NEW Regular and Senior members. Family and Junior members are exempt from initiation fees.

**Late Renewal** applications postmarked on March 1<sup>st</sup> or later must include the \$25.00 fee (except for Juniors and Family members.)

## Remittance Table

Use this table to check that you are including the correct amount.

	<u>New Membership</u>	<u>Late Renewal (after 3/1)</u>	<u>Renewal (before 3/1)</u>
Regular: 19-59 years	\$75	\$75	\$50
Seniors: 60+ years	\$75	\$75	\$50
Juniors: less than 19 years	\$5	\$5	\$5
Family: each additional Regular/Senior member(s) in household	\$30	\$30	\$30

## Frequency Tags

Our unique looking frequency tags also serve as club membership cards while operating at the field. Members are responsible for ensuring that guest fliers have current AMA membership, display appropriate alternative frequency tags, and understand and follow club safety and operational rules.

Club frequency tags must be marked with the official club stamp for solo operation. There is strictly **NO** flying without a Club certified instructor or flight qualifier until you have become a club qualified pilot and your frequency tags have been *officially stamped*.

## Channels

In the table on page 1, please write in the channel numbers of the radios you own and intend to use at the field in the coming year. Please make a separate request for any tags in excess of six, but only if you plan to use them. *If you will use a **Spread-Spectrum** radio system, use the letters "S-S" for one of your channel numbers.*

Below are the standard numbered channels allowed. Numbers in **bold** are some of the most heavily used at MCRCF, and might experience some crowding at the field, although it's uncommon. Numbers in *italics* are very lightly used. Numbers ~~struck through~~ are not recommended due to television interference.
