Viva Las Vegas

Casino night was a real winner! We will see how every one does today at the auction with your "MDA Money". Whether it was BlackJack or Roulette that you were lucky at, you will get a chance to bid for your favorite prize as the auctioneer starts calling them out. Everyone will get a chance to bring something home as a special gift from the Starlight Foundation. There is plenty of prizes to go around. Did anyone see Elvis last night?

Today is La Fiesta Day!!

HEY JAMEE-YOU THE MAN
TERRIFIC JOB AS "THE LOGISTICS
BOSS" THIS WEEK. YOU ONLY GOT
ANNOYING A FEW TIMES. BUT
ROSE MADE SURE THAT YOU
STAYED "COOL" AS A CUCUMBER.
YOU MADE CAMP SO MUCH FUN,
SAFE AND REALLY SMELLY. WE
WILL ALWAYS APPRECIATE YOU !!

SHOUT OUT FOR SCOTT "Mr.Clean"

Scott Riggins has excelled as
A caregiver, friend and
laundry chief. He has learned
how to use Downey and
bleach in just the right
amounts. His attention to detail
in this area has surpassed
any of our expectations. Last
year he was relatively low key
and his good deeds went un-
noticed. However, this year
everything he does seems to
impress all of the MDA camp
staff and his co-counselors.
Way to go Scott! Thanks for
your compassion and good na-
ture. Thank you for your big
heart and generosity of spirit.

Hey Kids, did you know that our website had 92 "hits" on the website. Make sure you take the time to look at it when you go home. Chris J. is going to make sure its up for a long time so you look at all the cool pictures of MDA Summer Camp.'04. Thank you so much Chris for all of your hard work!

Dear Dr. Carter,

You are the best! Thank you for caring for all of us the way that you do. We wish everyone could have a doctor and friend just like you. We appreciate that you take a whole week off to spend watching over us. (and play your guitar) We hope that you have a great summer with your family and that you get some personal "time off" to relax and enjoy life. Thank you to the Carter kids for sharing your Dad with us. We think he is the best!!

To all the volunteers and staff and especially our campers: you have my heart, my respect, my gratitude. I truly love you!

~ Rosemary

Bambi is the Best

Let's hear it for Bambi the amazing lady who does it all. If it's broken, she can fix it, if its stuck, she can un-stick it, if it has to get done now, she does it. She sets the bar for caring, compassion and concern for others. She never complains, always has a smile or a laugh, and we could never do this camp without her. She deserves at least one hug and thanks for each one of us. And then do it one more time before you go. Our heartfelt thanks to you Bambi.

REMINDER

CAMP IS CLOSED AT NOON ON FRIDAY, JUNE 25TH
All Campers, Volunteers and Staff must be out of the camp
at this time!
