CAMP TIDBITS

"MDA SUMMER CAMP... YOU'RE GONNA LOVE IT!"

FIREFIGHTER APPRECIATION DAY TODAY

Hey Campers...We will be having some very special guests today! Area firefighters are visiting camp and will be helping with the Fear Factor. Introduce yourself to them and let them know where you live. They have been involved with MDA for 50 years and have contributed to our camps, clinics and other services all these years. You all know they do the "Fill the Boot" with MDA during the summer months. Thank them for doing that because it helps keep our summer camp going year after year. They are our very dear friends, so get to know them and let them know how much we appreciate what they do for us.

Today is Firefighter Appreciation Day!

KARAOKE COMES TO CAMP

TONIGHT GET READY TO SING YOUR HEART OUT UNDER THE DIRECTION OF THE KARAOKE KING OTHER WISE KNOWN AS "ROB THE JOB". HE WILL BE OFFERING VARIOUS MUSIC CHOICES FOR US AND IT WILL BE A LOT OF FUN. AFTERWARDS, GET READY TO TRY YOUR LUCK (AND SOME SAY A LITTLE SKILL) DURING CASINO NIGHT. BLACK JACK, AND ROULETTE, JUST A FEW OF THE GAMES OFFERED. WE WILL OFFER A MOVIE FOR THE LITTLE ONES WHO DON'T CHOOSE TO PARTICIPATE. THERE WILL BE SOMETHING FOR EVERYONE. WED YOU WILL BE ABLE TO BID FOR AUCTION PRIZES WITH YOUR WINNINGS.

Kyle Filkins gets the most votes for the "Bachelor of the Week" award. He is working this camp like a regular *wheeler dealer*. Be forewarned ladies, he is on the move and heading in your direction. Slow him down if you can to get to know the "real" Kyle Filkins. Rumor has it, he will be passing the baton to Joey Shoop here in a day or two.

NURSES GONE WILD

Sariah, Amber and Marlo have taken to camp like ticks to a deer. To be honest, we were abit concerned that they would take one look at the size of this camp and run screaming out of HERE within 24 hours. Thank you Dr. Carter for finding these young women. They are such an asset to our camp and have been caring for all of us in such a COMPASSIONATE way!

Chit Chat With Frankie-A Highlight on Tina Davey & Kyle Olson

Tina Davey —(A 12 year camper)

Q-Frankie: What are some good and bad changes over the years?

A-Tina: Good, better beds & food. Bad, too many hills, not enough cabin time.

Q-Frankie: Your favorite activity?

A-Tina: Do you really need to ask? It's arts & crafts.

Q-Frankie: Anything you want to add?

A-Tina: I am glad that the campers & counselors are one on one again. ~~And I liked the 2 dances better. I miss sleeping outside and the staff and staff cook night.~~
