Contact Number: 505-867-4144  
E-mail: [jsedivec@comcast.net](mailto:jsedivec@comcast.net)

Rio Grande Division 6 meeting, Saturday, March 10th, 2012 @ 1:00 p.m.  
Manzano Mesa Multi Center (computer lab), 501 Elizabeth SE, Albuquerque

**Public Welcome**

**"Ship Santa Fe All the Way"**

## **Timetables, Track Warrants and Santa Fe 16mm Film**

Division 6 member, Bill Lubert produced a four part series on the Santa Fe Railway for Channel 27, Community Cable Channel in 1992. He will share his part 4 DVD showing operations on the east Gallup sub. See an experimental Amtrak mail train, the Santa Fe dispatch center in ABQ and lots of SD40-2s and U-boats in the yellow & blue war bonnet scheme. Learn how to read timetable information and to copy track warrants.

## **Modelers Showcase**

Bud Bechdel will bring one of his N scale modules that he is building and will be available to answer your questions about wiring for DCC. Bud is also an accomplished person repairing engines and rolling stock.
