

# 2006

## Summer On-Road Schedule

### (Sunday)

### 1/10th Scale Touring (Gas & Electric)

### 1/12th Scale On-Road

### 1/10th Scale F1

*Track Opens at 10:00 AM - Sign-Up Closes at 11:30 AM*

*Race Program Starts at 12:30 PM*

Tired of dragging everything, including the kitchen sink, to the outdoor on-road events in the area? Wish you could have a chance to test and tune on the track before race day? Tired of burning through multiple sets of tires on Sunday? Tired of waiting around to race? Why don't you try our On-Road program. We have a great outdoor asphalt track that is very tire friendly. Indoor pits with AC & DC power and air compressor. We also have one of the best race programs in this part of the country. It may cost a little more in entry fees to race with us, but you'll save in reduced tire cost as compared to what you will spend at the other on-road tracks in the area.

We will start our On-Road Summer Season on Sunday March 26th.

#### On-Road Schedule

#### On-Road Practice Schedule
