

# David Chapman Handball Clinic & Exhibition Matches

## Mankato YMCA

### December 2, 2009

8-time National Handball Champion, David Chapman, is coming to the Mankato YMCA on Wednesday, December 2nd to conduct two clinics. The clinics will be 50 minutes long and will be limited to four players on the court. One clinic will begin at 5pm and the other at 6pm.

This is a unique opportunity to receive coaching from arguably the greatest handball champion of our generation. Not only is David Chapman a great champion, but he has conducted countless clinics, camps, and currently has a great handball instructional video. Because David is in town for other business at MSU, the cost of the clinics has been reduced to \$79 per clinic participant. The clinics will be filled on a first come, first serve basis.

Following the clinic at 7:30pm, David Chapman will play two games to 21 against local players, 2 on 1. There will be 15 seats sold along the rail to view these matches. The charge for a rail seat is \$10. Viewing behind the front row will be free.

Please contact Mike Wells at 507-420-6230 to arrange reservations for a spot in one of the clinics or to view the matches from the front row.
