Subject: AACEI Delaware Valley Section September 10, 2008 Planning Meeting

The AACEI Delaware Valley Section Presents

“The September 11th Memorial Bridge”

Mark your calendars now for September 10, 2008

The New Jersey Department of Transportation's \$52 million project to replace the Route 70 Bridge over the Manasquan River in Brick Township, Ocean County and Borough of Brielle, Monmouth County in early 2006. The bridge was designated the "September 11 Memorial Bridge" in remembrance of the 170 people from Monmouth and Ocean counties who died in the terrorist attacks on September 11, 2001. Memorial architecture has been incorporated into the project. The bridge was scheduled to be completed by December 2010 however substantial completion has been reached, over two years ahead of schedule. Besides replacing the 700 foot long bridge, the work includes widening and reconstructing Route 70.

Please visit the following web site for more information as well as renderings of the approved design:

<http://www.state.nj.us/transportation/commuter/roads/route70manasquan/>

The scope of the project, construction techniques utilized, project issues and a review of the factors leading to the earlier completion will be presented by Keith Shuster, PSP.

Keith Shuster graduated from The Pennsylvania Institute of Technology in 1987 with a degree in Mechanical Engineering. He has over 20 years experience as a Project Scheduler for Urban Engineers, Inc. on a variety of projects in the construction industry including airports, buildings, highways, rail facilities, suspension bridges and water treatment facilities.
