PA Turnpike TIP Building Tour

Mark your calendars now for September 16, 2009

STV has received permission from the PA Turnpike Commission to allow a tour of the project on Wednesday, September 16, 2009 with the following restrictions:

1. All members of the touring groups shall wear personal protective gear furnished by STV field office. This shall include hardhat, safety glasses and hearing protection (if required). All touring personnel shall have and wear proper safety shoes.
2. No pictures will be allowed.
3. All group members must stay together when touring the project.
4. STV will have a liability form that must be completed prior to touring the project which will simply state neither STV, onsite Contractors or the PA Turnpike Commission is liable for any injuries that may occur. Touring the project is at your own risk.

STV will provide an overview of the project including visual aids prior to the tour.

The tour to be conducted from 2:00 p.m. It would also be beneficial to have a list of names for the Commission's Project Records.

Please find below preliminary itinerary:
