Dear Class of 1973,

In less than 6 months, we'll be getting together in Northampton to celebrate our 35th Reunion. I don't know about you, but time has gone so quickly that to me, it could be our 5th Reunion—if it weren't for the adult children who frequent my house, and the lines that have somehow shown up on my face.

Sandi Ferguson McPhee is Vice President of our class and is responsible for planning and executing our Reunion—to be held **May 22-25, 2008**. Sandi is looking for volunteers and ideas for our Reunion. We need to identify a theme, come up with phrases for our Alumnae Parade signs, plan meals, discussions, etc. If you're interested in helping, please contact Sandi directly (see masthead).

We are delighted that Nancy Mace is our new Webmistress. Nancy is looking for photos of us from our Smith days—all the way to now. She'll post them on the website to remind us of our friendships, lost loves and fabulous professors. Please send the photos in digital form (gifs or jpegs, please) to Nancy at nmace4@comcast.net. The class website address is:

<http://home.comcast.net/~nmace4/Smith1973/>

You can also access our class page from the "Classes" section of the Alumnae Association website:

Please check it for updates on our plans and lists of who is planning to be in Northampton in May.

Our Class Fund Team, Cheryl Cipro, Joan Creamer McArdle, Pat Terbovich Cousey, Allison Broadhead Saxe, Trish Tidwell, Margaret Rowland, Diana Gibson Sacerio and Barbara Robbins Simanek have been busy raising money for Smith. As of June 30, 2007 (the end of the college's fiscal year), thanks to a very special anonymous gift credited to our class, we raised \$677,458 with 45.8% participation!

As many of you know, the cost of a Smith education is not fully covered by tuition, so gifts from alumnae and friends make the difference in the college's operations. Many of us received financial aid at Smith—now many of us can give back. We are asking for a special "stretch" gift for our 35th Reunion, so thanks, in advance, for your generosity.

If you have an e-mail address and you haven't provided it to Smith, we encourage you to do so—broadcast e-mails are a great way to communicate with the Class of '73. Just go to www.smith.edu, click on "**Alumnae**" in the upper right hand corner, and under "**Things to Do**," click on "**Update your Information**."

You'll hear from us again before Reunion, but put **May 22-25** on your calendar, and check in often to find out how our 35th Reunion plans are coming along. I look forward to seeing ALL of you in Northampton in May,

GiGi
