# Library Show Report

Hello everyone. The NS&W modular train display at the Glenview Public Library was a great success. We had many visitors of all ages. It was especially enjoyed by some of the little ones.

Watching their eyes light up and seeing their joyful smiles as a train rounded a corner towards them, makes it all worthwhile. I would like to thank all of the NS&W members who came down to help us setup and tear down. We couldn't do it without you. You all did a great job. Also, thanks to Mike Hirvela who participated this year with us and displayed two nice looking modules. Many members brought trains to run and it seemed like everyone had a good time. It's good to see people sharing and enjoying the hobby. Hope to see you all again at the next show. —*Jeff Jarr*
