Corporate/Business Advertisements

The Atholton High School Music Department helps young musicians develop their talents through participation in a broad array of choral and instrumental groups. These groups study and perform a variety of music that allows the students to learn and progress.

In order to support these students in ways that *public funds do not*, the Atholton High School Music Boosters accept tax-deductible contributions from individuals and businesses, who are then regarded as **Patrons** of the AHS Music Department. Patrons are recognized publicly through program ads and acknowledgments.

Three opportunities are available each school year to advertise through Atholton Music Program events:

Winter Concert	December (two evening performances the first week)
Art Auction	Spring (one evening event)
Spring Concert	April or May (two evening performances)

Costs are as follows:

Full Page Ad	\$100 or more
Half Page Ad	\$ 50
Business Card	\$ 25

Mail to:

AHS Music Boosters
6520 Freetown Road
Columbia, MD 21044

To place an ad:

- 1) complete the bottom portion of this form
- 2) submit a clean, black and white copy of ad/business card desired
- 3) make check payable to AHS Music Boosters

Deadline for inclusion in all three programs is November 18th. Ads received after this date will appear in the events remaining for that year.
