

# PALLADIUM HOTELS & RESORTS

## November's News for The Unofficial Palladium Site

The Buffet "Tical," located in the [Grand Palladium Colonial/Kantenah](#) resorts, has re-opened after having closed during low season.

The restaurant "La Uva," the [Grand Palladium Punta Cana's](#) beach buffet, is offering a new feature: lunch's main dishes are now being served *a la carte* while the rest of the meal is self-service. No reservation is necessary.

The new children's playground located next to the Punta Emilia bar at the [Grand Palladium Resort & Spa](#) in the Mayan Riviera is to be made of wood and will include hammocks and areas for climbing.

The [Palladium Palace Ibiza Resort](#) has just closed after a highly successful season. The resort will re-open at the end of April 2008 for those looking to enjoy a beachfront resort in one of the world's most desired locations.
