What is Panther Paws?

Panther Paws is a volunteer parent/community member organization whose main purpose is to raise funds for all Prospect's **girls and boys** after school sports programs.

Parents – We are in real need of a few volunteers to fill open committee positions. It is only a few hours a month and can really benefit your child's athletic experience at Prospect

Please contact Jeff Brown – 408 253-3763 or email @ jef_cin@pacbell.net

How are funds raised?

Approximately 65% of funds are raised by conducting (7) flea markets a year.

- Profits come from space sales and the concessions
- Parents of **ALL** athletes are asked to donate time and support the flea markets

(FLEA MARKET DATES: Fall 2008 – Aug 16, Sep 20, Oct 18, Nov 15 & Spring 2009 – Mar 21, Apr 18, May 16)

Approximately 30% is raised from the membership fees. Although the majority of sports do not require a spectator fee, the membership fees collected support **ALL** sports.

Memberships available:

1. \$50 Voting membership + admission to home games (Parents and children under high school age)
2. \$25 Single parent membership + admission to home games (Parent and children under high school age)
3. \$20 Voting membership
4. \$40 Lifetime Panther Paws membership (for alumni only)

Approximately 5% is raised from

- Direct donations from parents and other community members
- Proceeds from logo wear

How much has Panther Paws donated to athletic programs?

More than **\$10,000** annually. This money allows athletes, coaches, and parents the opportunity to participate in programs without extensive involvement in numerous fundraisers throughout the year. The funds are split equally between the girls and the boys athletic programs. The athletic directors and coaches determine how the funds will be allocated to benefit Prospect's sports programs.
