

9/11 was perpetrated by criminals in the Bush administration, CIA & US military

- **Jet fuel doesn't burn hot enough to melt or vaporize skyscraper steel, as happened on 9/11. Only explosives can achieve that.**
- **Huge steel columns were seen cleanly sliced diagonally in half, as is standard practice in the demolitions industry.**
- **The Twin Towers and WTC building 7 collapsed at free fall speed straight down, directly into the path of *most* resistance.**
- **6 weeks before 9/11, after new owner Larry Silverstein took possession of WTC, loud construction work began in the Towers producing concrete dust. Teams of men w/cables seen going in.**
- **Evidence of the use of explosives was under Twin Towers and building 7: Large pools of molten iron collected & remained hot for weeks: typical of the use of thermite or thermate explosives.**
- **Just days before 9/11, bomb-sniffing dogs were mysteriously removed by Securacom: the security company run by Bush clan.**
- **High-security WTC building 7 was never hit by any plane nor by falling debris, and had no large fires, yet it fell straight down at free-fall speed on 9/11 around 5:20PM. A demolition countdown was broadcast over police radio & was heard by many police.**
- **Hundreds of witnesses e.g. firemen & TV crews heard massive secondary explosions from the Twin Towers on 9/11.**
- **The 1st explosions occurred in the WTC basements, moments before the 1st plane hit, injuring people & destroying the lobby.**
- **The hole in the Pentagon was far too small for a large airplane to enter. Witnesses saw a small white unmanned drone plane hit the Pentagon after flying over cemetery.**
- **The Pentagon damage was just like that of a cruise missile.**
- **Recently released black box data obtained via Freedom of Information Act request shows the plane that "hit" the Pentagon never did -- it flew over it.**
- **Just days before 9/11, Mohammed Atta & another hijacker were seen on Republican criminal Jack Abramoff's gambling boat by multiple eyewitnesses, living it up.**
- **9/11 has been used to justify *police state* laws & unjust but profitable wars. It is the 1st step toward world government.**
