# IN THE BEGINNING...

The cabins became quiet as darkness fell over the Eagle Beach Resort at Park Rapids, MN, except for one...the Loon. Within this small cabin, thoughts of Fun, Friendship and Safety along with a common love for motor-cycling, sparked a desire to expand on a great idea... a new Chapter in the Gold Wing Road Riders Association. The group became restless as the night wore on and the dream of a new Chapter was etched onto a Styrofoam cup. Amongst the pine trees, long sandy paths and calm waters, the call of a wild Loon echoed in every window...as if to announce to the world that it was a new beginning. On this night, from this cabin, at this resort, a dream was born.
