

This Software License Agreement ("Agreement") is made by and between Useful Bits LLC ("Developer") and you ("Licensee").

The Developer has developed and licenses to users its software programs marketed under the name "Race Timer" and "Race Registrar" (the "Software").

Licensee desires to utilize a copy of the Software.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, Developer and Licensee agree as follows:

1. License.

The Developer hereby grants to Licensee a non-exclusive, limited license to use the Software as set forth in this Agreement, until the Expiration Date as shown above.

2. Restrictions.

Licensee shall not modify, copy, duplicate, reproduce, license or sublicense the Software, or transfer or convey the Software or any right in the Software to anyone else without the prior written consent of the Developer; provided that Licensee may make one copy of the Software for backup or archival purposes.

3. Fee.

In consideration for the grant of the license and the use of the Software, Licensee agrees to pay the Developer the regular list price for the Software as published from time to time by the Developer.

4. Warranty of Title.

The Developer hereby represents and warrants to Licensee that the Developer is the owner of the Software or otherwise has the right to grant to Licensee the rights set forth in this Agreement. In the event any breach or threatened breach of the foregoing representation and warranty, Licensee's sole remedy shall be to require Developer to either: i) procure, at Developer's expense, the right to use the Software, ii) replace the Software or any part thereof that is in breach and replace it with Software of comparable functionality that does not cause any breach, or iii) refund to Licensee the full amount of the license fee upon the return of the Software and all copies thereof to the Developer.

5. Warranty of Functionality.

A. For the time period of the valid License (the "Warranty Period"), Developer warrants that the Software shall perform in all material respects according to the Developer's specifications concerning the Software when used with the appropriate computer equipment. In the event of any breach or alleged breach of this warranty, Licensee shall promptly notify the Developer and

return the Software to the Developer at Licensee's expense. Licensee's sole remedy shall be that the Developer shall correct the Software so that it operates according to the warranty. This warranty shall not apply to the Software if modified by anyone or if used improperly or on an operating environment not approved by Licensor.

6. Software Maintenance.

A. Standard maintenance. During the Warranty Period, Developer shall provide to Licensee any new, corrected or enhanced version of the Software as created by the Developer. Such enhancement shall include all modifications to the Software which increase the speed, efficiency or ease of use of the Software, or add additional capabilities or functionality to the Software, but shall not include any substantially new or rewritten version of the Software.

B. Optional maintenance. After expiration of the Warranty Period, Licensee may continue to receive maintenance support for successive twelve (12) month periods. The charge for such optional maintenance support shall be the Developer's regular list price for maintenance and support for the Software as published from time to time by the Developer. The Developer may elect to discontinue maintenance at any time upon notice to Licensee, and refund of any then unearned maintenance fees.

7. Payment.

Payment of the license fee shall be made before delivery of the License Key.

8. Taxes.

In addition to all other amounts due hereunder, Licensee shall also pay to Developer, or reimburse Developer as appropriate, all amounts due for property tax on the Software and for sales, use, excise taxes or other taxes which are measured directly by payments made by Licensee to the Developer. In no event shall Licensee be obligated to pay any tax paid on the income of the Developer or paid for the Developer's privilege of doing business.

9. Warranty Disclaimer.

THE DEVELOPER'S WARRANTIES SET FORTH IN THIS AGREEMENT ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

10. Limitation of Liability.

The Developer shall not be responsible for, and shall not pay, any amount of incidental, consequential or other indirect damages, whether based on lost revenue or otherwise, regardless of whether the Developer was advised of the possibility of such losses in advance. In no event shall the Developer's liability hereunder exceed the amount of license fees paid by Licensee, regardless of whether Licensee's claim is based on contract, tort, strict liability, product liability or otherwise.

11. Governing Law.

This Agreement shall be construed and enforced in accordance with the laws of the state of Washington.

12. No Assignment.

Neither this Agreement nor any interest in this Agreement may be assigned by Licensee without the prior express written approval of the Developer.

13. Final Agreement.

This Agreement terminates and supersedes all prior understandings or agreements on the subject matter hereof. This Agreement may be modified only by a further writing that is duly executed by both parties.

14. Severability.

If any term of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then this Agreement, including all of the remaining terms, will remain in full force and effect as if such invalid or unenforceable term had never been included.

15. Headings.

Headings used in this Agreement are provided for convenience only and shall not be used to construe meaning or intent.

IN WITNESS WHEREOF, by clicking to accept and use the Software, the Developer and Licensee have executed this Software License Agreement on the day and year first above written.
