2009 Fees for Race Timing Services

Single-component	Description	Rate ¹
Fixed	10 mi or less	\$100
	10 mi to 25 mi	\$130
	Over 25 mi	\$200
Variable	Pre-race-day participants ²	\$0.75 /participant
	Day-of-race participants ³	\$1.75 /participant
	Additional races ⁴	\$55 /race
Mileage	Over 25 mi from home ⁵	\$0.50 /mi

Multi-component	Description	Rate
Fixed	Duathlon (2 split-times)	\$250
	Triathlon (3 split-times)	
Variable	Pre-race-day participants	\$1.25 /participant
	Day-of-race participants	\$2.25 /participant
	Transition Split-times ⁶	\$0.25 /participant/split
Mileage	Over 25 mi from home	\$0.50 /mi

¹ WA sales tax is not applicable to data processing services.

² These are the participants in the Participant Data file sent the evening before the event.

³ These are the participants added to the Participant Data sheet on the day of the event. (When added by the timing team, this data includes only the minimum to properly process results.)

⁴ For multiple, single component races, the charge for each race after the first.

⁵ Waived if total timing fee exceeds \$500.

⁶ Split-times are times for each component in a multiple-component race. Timed transitions add 1 split-time between each component.
