August 13-17

Circle K International Convention,
Greensboro, North Carolina

November 17

Division 4 Holiday Party and
Governor's Visit,
Time & Location TBD

TBD

Division 4 Night at the Sky Sox.

Getting the word out about Kiwanis

While Kiwanis membership continues to shrink, many clubs are coming up with creative ways to publicize their organization and bring in new members. Here are a few easy ideas every club can use:

- Have a sign and wear clothing with the Kiwanis logo at any service project or public event that your club participates in.
- Have information to hand out to people who want to learn more. Brochures are a convenient and easy way to get information out to the masses. You can order Kiwanis brochures from Kiwanis International.
- Submit a press release to your local newspaper. Press releases

are easy to create and are an easy way to let the media know what worthwhile projects your club is working on.

- Have a presence in local community events. Get your club to participate in local events, such as Spring Spree or a local parade. Participating in these events requires more hours and more work, but what better way to get the Kiwanis name out into the community?
- Talk about Kiwanis with family, friends and co-workers. Invite others to your Kiwanis meetings so they can experience Kiwanis first hand.

Club News & Happenings

Recently, members of the Pikes Peak Club visited Kay Noll, a Kiwanis member, at Parkmoor Village Health Care Center. The club members had lunch with Kay and her daughter Nancy Wilson. Everyone in the club was very happy to spend time with such a special Kiwanis member. Kay has since returned to the club meetings, and everyone is very happy to have her back.

Deadline for submission of articles is the 15th of each month. Please email all submissions to angela.ziegler@wesellmore.net.

Sponsored Youth Programs

RMD Key Club Convention

On April 1-3, Chuck attended the RMD Key Club Convention. Approximately 150 high school students from all over the Rocky Mountain District attended this fun, informative conference. Fountain Fort Carson High School student, Cynthia Ramirez has been elected Lt. Governor for Division 4 of the Rocky Mountain District. Congratulations Cynthia!

Key Leader

Key Leader is quickly approaching. If your club is interested in participating, don't forget to budget money for Key Leader in your upcoming budget. Thank you for your support!

Kiwanis is a Family

Get involved with your sponsored youth programs as much as possible. Invite students to attend your meetings whenever possible. Ask Key Club members to participate in your club's service projects. Visit a Key Club meeting. Help start a Key Club in a local high school.

Order your Kiwanis t-shirt!

Contact Chuck Ziegler if you are interested in purchasing shirts for your club members. These are great quality, and great looking shirts! Wear them when you are out doing service projects and get instant publicity for Kiwanis International! Place your order today!

Meet a Kiwanis Member

Name: Chuck Ziegler

Club: Pikes Peak

Offices Held: President, Lt. Governor

Member since: 1998

Favorite part of being a Kiwanian: Getting to meet other Kiwanians and doing service projects.

Division Membership Drive

Helping Children Soar

Starting June 1st, Pikes Peak Division Kiwanis members will have a chance to earn prizes and have fun while helping Kiwanis grow. The theme of this year's membership drive is *Helping Children Soar*. For every new member you bring in between June 1st and August 31st, you have a chance to win prizes

such as Kiwanis t-shirts and gift certificates. For every member you bring in, your name is also entered into a drawing for the grand prize- a hot air balloon ride for two! The more members you bring in, the more prizes you win and the more times you are entered into the grand prize drawing.

Membership growth is an important goal for the Pikes Peak Division, as well as the Rocky Mountain District and Kiwanis International. Bringing more members into clubs means Kiwanis is able to complete more service projects and have a greater impact on the community. More members means we are better equipped to help children soar!
