If you need more information please contact Christina Miller at Allston Brighton CDC
(617) 787-3874 Ext. 215 E-mail: miller@allstonbrightoncdc.org

Plant Yourself in the Park Day is the first annual citywide volunteer day focused solely on Boston's playgrounds, gardens, schoolyards and other open spaces. It is a day of service and celebration that will bring communities together in every neighborhood of the city.

**PLANT YOURSELF
IN THE PARK DAY**

BOSTON GREENSPACE ALLIANCE

Founded in 1984, The Boston GreenSpace Alliance is a private, non-profit organization dedicated to connecting all people to their parks and green spaces through advocacy, education and planning. The Boston GreenSpace Alliance works to set and accomplish a green agenda that supports parks as vital to the urban ecosystem; builds commitments from elected officials, residents and business leaders; serves as a "watchdog" and voice on policy and planning matters; and supports various constituencies that help maintain the city's parks and green spaces.
