Eastern Basketball's

Commitment to our Programs

Our staff has dedicated our time and energy to making positive changes in the quality and competitiveness of our programs, while also making some clear cut policy improvements.

Our goal is to improve the seriousness and competitiveness of our AAU program, while maintaining a supportive environment for developmental players.

We had over 200 Spring AAU Players last year and are expecting even more this season. We hope you will join us and be a part of Eastern Basketball's best AAU season yet. We look forward to seeing everyone on the court for tryouts very soon.
