“Art Rocks!”
Duniway Art Show
May 3, 2007

Art Program Chair:
Christine Claringbold

Christine with her fifth grade son and his artwork.

“Art Rocks!” - each classroom decorated a musical instrument for a silent auction.

Student musicians and portrait artists rounded out the evening’s program.

There was also a “Make Your own Pet Art Rock” station, in keeping with the theme.

The large watercolor trees are always a favorite.
