A parent volunteer helps set up the Art Show

3rd grader Daniel as a student portrait artist

Christine was active with Duniway Elementary’s parent-led art program for 5 years. She taught art classes, helped to develop curriculum, coordinated more than 200 volunteers, and was in charge of this amazing annual event, the Duniway Art Show. Two gyms and two hallways are filled with 2- and 3-dimensional art, representing every student in the school.
