Stock? Check: Yes No If no, give details of modifications.

How did you get your Jet? Where and what year? Any special story about getting it home? Was it barn fresh? (Attach separate sheet if necessary.)

Did you have to restore it or just put on a coat of wax? What are the facts behind the restoration/preservation?

Are you in need of any parts or have Jet parts or memorabilia to sell? Can you share any good tips/parts sources?
