

Supporting Membership Order Form

Supporting memberships to this year's Sci-Fi Sea Cruise are **only \$25 each**. They include a signed program book and a copy of the finished video workshop project DVD, to be sent to you several weeks after the cruise. As a **special bonus**, you'll also get a **FREE** copy of last year's finished video workshop project DVD sent out to you to watch and enjoy **right now**. Our DVDs are standard North American NTSC format recordings on DVD-R discs that will play on most current set-top DVD players, and virtually all computers that play DVDs. They are not region restricted, so they should play overseas on any international player that can read NTSC discs.

To order your supporting membership, please print out this form then fill it out and return it to us with your check or money order for \$25 for each membership. *(If you are ordering from overseas, please add an additional \$5 for overseas shipping for a total of \$30, and use an international money order or check made out in US Dollars only. If you are unable to use an international money order or US\$ check, then you can also make an online payment through PayPal, to the account of **whocruiser@aol.com** and check the space below, and we'll process your membership order after the funds are transferred - PayPal will charge us extra to do the funds transfer and conversion into US funds, and we ask that you include an extra \$1 for each membership ordered to offset their charges.)*

Name _____ E-mail _____

Address _____

City _____ State _____ Zip/Postcode _____ Country _____

Memberships _____ at \$25 each = \$ _____ (+ Overseas Postage If Needed = \$ _____)

(+ \$1 Extra If Using PayPal = \$ _____) **Total Amount Enclosed = \$ _____**
