

SOUTH JERSEY DIVISION OF THE G.I. JOE COLLECTORS' CLUB

MEETING NOTES FOR FEB. 10, 2002

2nd. MEETING

Meeting Location: Mays Landing-Carl Farrell's house
Members present are listed on attached club roll sheet.

3:00 pm

With six members present the meeting was called to order. Our first order of business was a discussion about the club exclusive clear figure. Most of the members have received their figure and wanted to talk about it. I have not been able to verify the correct name and Hasbro part number, but I am working on it. Scott Murray has designed and assembled a custom made box for the clear figure. The art work and lay out of the box is excellent. He presented his idea and plans to our members. Which is to obtain the necessary approval and permission from Hasbro and Master Collector to produce and sell the box to current active members of the GI Joe Collector's Club who received the figure. Scott is working on a price that would allow us to assist with this project as a fund raiser for our local club. I will be contacting Master Collector and hope to have an update at the next meeting.

We discussed ideas about how to increase our membership. Each member present received business cards for advertising our local club. We have contacted the Beachcomber Collectible Shop in Egg Harbor Twp. in hopes of a working relationship and support from them. They have agreed to display information about our club and to recommend us to their GI Joe customer's. Also they are interested in working with us in the future to sponsor a GI Joe diorama contest. I also plan to contact Toys-R-Us, Wal Mart, and Target at the Hamilton Mall to discuss a support relationship.

The members present chose our club officer's for the year 2002.
They are:

Club Leader: Scott Murray
Club Assistant Leader: John DiMatteo
Club Secretary-Treasurer: Carl Farrell.

We discussed a membership dues policy for our club. For the year 2002 membership dues will be \$20.00, and will start in June. The dues policy will be reviewed each year and may change to meet the need's of the club. The final decision will be made at the next meeting after any objections or changes to the dues policy will be discussed.

We discussed our local club logo. Scott Murray designed and submitted three different samples of his idea for a logo. Any other logo samples must be submitted at the next meeting (3/10/02). The members present at the meeting will pick our club logo from all the samples presented.

A meeting schedule was set for the next three months. Meetings will be at Carl Farrell's house in Mays Landing, and will start a 3:00 pm. The dates will be Sunday March 10, Sunday April 14, and Sunday May 19.

5:00 pm

The meeting was adjourned.
