Notes from the previous meeting:

Notes from the 4/21/02 meeting were read.

Unfinished Business:

We discussed the diorama contest. The contest kick off was changed from June to the end of summer. [sometime in September] Perpetration time, advertising, advertising expense, and rounding up prize sponsors were just a few reasons we decided to move the contest to the fall. We started working on the contest rules and requirements. A contest plan and agenda was agreed on. Members are going to locate prize sponsors and business locations who will act as entry registration places and general sponsors. Methods and a cost of advertising will be explored. We hope to have everything completed and finalized at the July meeting.

We also discussed and finalized plans for our road trip to Small Blue Planet.

The date will be Saturday, June 15, 2001. We will meet a Scott Murray's house in Turnersville at 11:00 am. Scott has offered to drive everyone in his van. This will also be the June meeting.

Open Discussions:

We discussed starting a member's collection info list. This list would include our collection info, favorite and want list, for sale or trade list, and any other information about GI Joe collecting a member wishes to share. The list would only be given to and used by our club members to assist each other in collecting.

5:30 pm

The meeting was adjourned.
