SOUTH JERSEY GI JOE COLLECTORS CLUB

MEETING NOTES FOR JUNE 15, 2002

MEETING LOCATION: TURNERSVILLE - Scott Murray's House
ROAD TRIP TO: SMALL BLUE PLANET, Aston PA.

Members present are listed on attached club roll sheet.

11:00 am

With four members present we left Scott Murray's house in Turnersville.

12:15 pm

We arrived at The SMALL BLUE PLANET Action Figure Store in Aston PA.

We introduced ourselves and met the staff of SBP. We also met a few other action figure collector's that get together as a group in the Philadelphia area.

We talked about having a combined meeting with our club and their group some time in the fall.

Our members did some shopping and we stayed for a special presentation that just happened to be scheduled for afternoon. SBP hosted a behind the scenes presentation about AESOP the action figure comic series in the magazine "Lee's Toy Review". We got to meet and introduce ourselves to the creators and producers of the AESOP series. They are David Pisani and Tod Pleasant. Two guys on a real mission. The presentation was very interesting and we shared a lot of good ideas.

4:00 pm

We arrived back at Scott's house and had a short meeting about the Diorama Contest. Contacting and getting committed sponsors will be the main effort this month. We are attempting to have the following list of items completed for the July meeting.

1. Sponsors
2. Contest Rules
3. Contest Entry Form
4. Entry Form Pickup Locations
5. Prize Information

Next meeting was set for Sunday July 21, 3:00 pm at Frank Farrell's house.

5:00 pm

The meeting was adjourned.
