Dear sponsor:

Thank you so much for supporting Sounds of South last year through your purchase of advertising space in our annual Program Book. Your ad in our 104-page book was seen by more than 3000 local residents who attended our Fall musical "Carousel!" and our concerts throughout the school year. Our audiences are a loyal group and are eager to patronize the businesses that support Sounds of South!

Our choir provides much more than just a chance to sing and have fun, but also an opportunity to develop our talents, teamworking abilities, administrative skills, and work ethic. And work we do... Our choir has been widely recognized for its excellence and has consistently received district, state, and national awards. Each Spring we participate in Indiana State School Music Association competitions and take a four-day trip. This July, we will begin rehearsing for our next musical, "Brigadoon."

As a member of Sounds of South, I am gathering support for our group through advertising sales for our 2009-2010 program book.

I hope we can count on your support again!
