Слава Ісусу Христу!

Dear Friend,

St. Michael Ukrainian Catholic Church will be celebrating its 100 Year Centennial Anniversary with a Pontifical Divine Liturgy on Sunday, November 7, 2010. A celebratory banquet will be held immediately following the Divine Liturgy at The Lyceum Banquet Hall located at 181 Main Street (Route 6) in Terryville.

The St. Michael Centennial Anniversary Committee will be publishing a commemorative anniversary book as part of our celebration. This book will include a history of our parish, its organizations, and the role St. Michael parish plays in the Ukrainian Community of Terryville.

We invite you to be a part of the celebration by purchasing space in the anniversary book. Your space may include general family greetings, family memorials, business advertisement, well wishes, etc. Photographs or graphic content may also be included for an additional fee.

If you are interested in purchasing space in the anniversary book, please complete the attached form and submit it along with the full payment by the December 6, 2009 deadline.

Sincerely yours in Christ,

Reverend Father Paul Luniw, Pastor
