About Us:

Team TriumphWedgeOwners.org is driver Wayne and navigator Mary Simpson. Our car, named after the "Colonel Mustard" character in the board game Clue (for obvious reasons), is an Inca Yellow 1980 Triumph TR7 convertible. He was found last July in an airplane hangar on Long Island. With only 7600 original miles on the odometer, he was purchased on the spot and faced his first test that day, driving home to the Jersey Shore, without much in the way of brakes, in Fourth of July "Get Out of Town" traffic.

Two weeks later, with new brakes and some other little necessities, he won the TR7 class at the 2007 Vintage Triumph Register Concours d'Elegance at Valley Forge, PA. Now, with a fully reconditioned suspension, rebuilt dual carburetors and a lot of other items to make up for the years of inactivity, he is in top flight mechanical condition and ready to take

HELP US HELP KIDS!

In the last five years we've raised more than \$130,000 for kids battling childhood diseases by driving in America's British Reliability Run.

Now we're at it again! On Saturday, September 27th, up to 120 vintage British cars will depart three locations, one each in Michigan, Pennsylvania, and Alabama for demanding, two-day, approximately 800-mile drives to raise money for three very highly-rated children's charities.

This year, the Pennsylvania group is driving for the Dresher, PA based "Gia Nicole Angel Fund". (www.giafund.org)

What is America's British Reliability Run?

(from www.abrr.org)

In it's sixth year, America's British Reliability Run is a challenging, but fun, driving event that so far has raised more than \$130,000 for worthy children's charities. This year, three separate 800-mile runs on the same weekend, September 27-28, 2008, will benefit three highly-rated, local children's charities. One run starts in Michigan, another in Pennsylvania, and yet another in Alabama! Each two-person team pays their own expenses out-of-pocket and has a goal of raising \$500 for the charity.

Up to 40 British cars of any marque or vintage may participate in each run. Even if you can't participate in the run, please support this effort by making a donation of any size. Again, teams pay their own expenses, so 100% of your donation goes to the charity, please help us increase our total! To register your car, donate, or read more about the run, visit <http://www.abrr.org>.
